PRIMARY SCHOOL

A UNIQUE SCHOOL OF EXCELLENCE PASSING ON A CHRISTIAN LEGACY FOR FUTURE GENERATIONS

Melkbosstrand Private School is a Christian school of inspirational, supportive and dynamic educators, staff, parents and directorate, who provide positive and personal attention to each learner through a well-balancing holistic education within a friendly, pastoral environment.

At MPS we prepare your child for life after school.

MPS provides exceptional and complete education, within a secure learning environment that seeks to nurture young people to become self-confident, happy and successful in a changing world. They will be creative, critical thinkers who embrace change and develop lasting, healthy relationships.

We encourage our students to have high expectations of themselves and what they can achieve. It is only through hard work that they will reach their full potential and life goals. Our warm, friendly and stimulating environment creates the opportunity for each of our students to thrive and develop into confident young adults with a passion for life.

We invite you to visit our beautiful campus and to experience the ambience that makes this such a special place for scholars, staff, parents and the community.
